

CARING INSTRUCTIONS

I N S T R U C T I O N S

To clean

Clean all surfaces using only a damp cloth followed by a dry cloth. Use a mild soap as needed.

Avoid writing without a desk pad.

Avoid using harsh detergent or wax. This may damage the finish.

Avoid contact with plastic place mats or rubber protectors on items such as radios, computers, lamps or telephones.

To prevent fading, do not expose any furniture to direct sunlight or extreme sources of heat.

Maintain even humidity conditions in your home to prevent splitting.

Never place electrical appliances or pots on surfaces.

Remove liquid or spills from furniture immediately.

LAURIER

Laurier guarantee

The Laurier guarantee protects the original buyer for one year against any manufacturing defect, as of the purchase date and conditional upon normal use.

CARING INSTRUCTIONS

I N S T R U C T I O N S

To clean

Clean all surfaces using only a damp cloth followed by a dry cloth. Use a mild soap as needed.

Avoid using harsh detergent or wax. This may damage the finish.

Do not leave the lights on for more than 10 consecutive hours; this will prevent the risk of overheating the inside of cabinet.

To prevent fading, do not expose any furniture to direct sunlight or extreme sources of heat.

Maintain even humidity conditions in your home to prevent splitting.

Avoid writing without a desk pad.

Remove liquid or spills from furniture immediately.

Do not place more than one electronic component per shelf.

LAURIER Premiere

Laurier guarantee

The Premiere guarantee protects the original buyer for one year against any manufacturing defect, as of the purchase date and conditional upon normal use. The textured lacquer finishes are guaranteed for three years against cracking or uneven discoloration.
