

LASER FIND

3 IN 1 LASER LEVEL

FEATURES & BENEFITS

- **Laser Level**
Projects a straight line onto any surface for use when hanging pictures, chair rails, etc.
- **Stud Finder**
Automatically senses studs behind walls to ensure you find the right place to start your project.
- **LED Light**
Lights dimly lit areas to help ensure accuracy when starting your project.
- **Lightweight & Compact**
Small, handheld unit offers 3 tools in 1 lightweight product.
- **Includes Reusable Adhesive**
Enables laser level to mount to wall without leaving marks or residue.
