ASSEMBLY INSTRUCTIONS

NOTE: It requires two people to assemble this easel.

1. Place upright "A" on flat surface with threaded holes facing up.
2. Place chalk tray "B" on upright "A"; insert four (4) $\frac{1}{4}$ "-20 screws into holes and tighten with screwdriver.
3. Stand partially assembled frame on casters.
4. Stand upright "C" on casters with holes facing chalk tray "B". With four (4) $\frac{1}{4}$ "-20 screws, attach chalk tray "B" to upright "C" and tighten with screwdriver.
5. Insert one (1) #14 x 2" screw through top hole in outside of upright "A" and "C" and to center hole on marker board "D" and tighten for stability.
6. Insert second #14x2" screw through bottom hole in upright "A" and "C" and into hole on marker board "D" and tighten.
7. Your roll-around marker board is now ready for use.

HARDWARE PACKAGE CONTAINS:

- 8 $\frac{1}{4}$ " - 20 x $\frac{5}{8}$ " Screws
- 4 #14 x 2" Screws
