

GR250 Grip-Rite 33° Joist Hanger Nailer 2-1/2"

Grip-Rite hand drive and collated fasteners are known for their toughness and reliability. And now this Grip-Rite pneumatic joist hanger nailer offers those very same qualities that you depend on, day after day. This compact nailer shoots up to a 2-1/2" positive placement nail and is designed to work easily in tight, confined spaces. The GR250 features "multi-blow" functionality, which promotes safer usage when compared to "single-blow" tools.
