## 18V Lithium-Ion Reciprocating Saw Tool Body

CR18DLP4

### Specifications

>> <b>Stroke</b>	1-1/8"
>> <b>SPM</b>	0-2,100
>> <b>Max Output</b>	380W
>> <b>Weight</b>	6.2 lbs

**Notes:** Tool body only for this model. It does not come with batteries, charger or case. However it is compatible with most Hitachi 18V post batteries, which offers ultimate flexibility in cordless power. This cordless reciprocating saw features a tool-less blade change system for convenience and triple sealed construction for added durability.
