

HITACHI

18V Li-Ion SDS Plus Rotary Hammer Tool Body

DH18DLP4

Specifications

>> Voltage	18
>> Bit Type	SDS Plus
>> RPM	0-750/-1,500
>> BPM	0-3,100/-6,200
>> Impact	1.0 ft/lbs
>> Weight	3.8 lbs

Notes: Tool body only for this model. It does not come with batteries, charger or case. However it is compatible with most Hitachi 18V post batteries, which offers ultimate flexibility in cordless power. This cordless rotary hammer is compact and lightweight and designed for easy operation. A quick set bit system makes changing bits quick and easy. The convenient 5-position belt hook features integrated LED work light.
