the Saeco advantage

Top loading filter basket with removable internal basket for easy coffee loading and removal.

Pause 'n Serve: Allows you to pour a cup of coffee while the coffeemaker is still brewing.

Thermal insulated stainless steel and ceramic carafe keeps 40 oz. of coffee hot for 5 hours.

Programmable Control Panel: This digital display with blue LED light allows for simple programming of the automatic timer function.

40 oz. top-filling water tank for convenient filling of the coffeemaker with the carafe or directly at a water source.

Cord Storage: Built-in compartment to hide excess length of cord.

Auto Shut Off: Coffeemaker shuts off automatically when brewing is complete.
