

GR318EDV 3 HP Electric Wheelbarrow Compressor

The Grip-Rite GR318EDV compressor is the perfect blend of portability and power. This electric compressor features a very low profile and a direct drive "V" twin pump for improved cooling and reduced vibration. The motor is thermally protected and dual voltage for varying worksite conditions. Flexibility, durability, and capacity will make the GR318EDV the last electric wheelbarrow you'll ever need.

Features include:

- ☑ 3 HP, dual voltage (115/230v) motor - CSA/US approved
- ☑ Thermally protected motor with manual reset
- ☑ Rugged compressor pump featuring cast iron cylinders
- ☑ Cylinders are removable for easy service
- ☑ "V" design pump for reduced vibration, improved cooling
- ☑ Double female quick connect couplers
- ☑ Steel rim pneumatic tire
- ☑ Easy view oil sight gauge
- ☑ Convenient oil drain location
- ☑ 12-month warranty
