## Luxus Communicator

### Traditional Quality

The Stewart Filmscreen Luxus Communicator manual pull-down screen offers all of Stewart's acclaimed quality and performance for applications where an electric motorized system is either not desirable or practical.

### Insist on the Best

Optimize your Luxus Communicator with a Stewart Academy Award® winning screen material.

### Picture Perfect

Black overscan borders surround the image area complementing the picture perfectly.

### Built to Last

The easy, smooth pull-down mechanism offers the capability of unlimited stops along its full length of travel. Stewart's exclusive Tab-Guy tensioning system is included to assure the screen will always remain smooth and flat when extended for use.

### Trust Stewart

Stewart Filmscreen is synonymous with high quality materials, superior craftsmanship and long, trouble-free product life. Since every Stewart Filmscreen product is hand crafted, custom sizes and configurations can also be accommodated. Call Stewart Filmscreen today and we will build one for you.
