Touch

Cup Warming Surface: Controlled cup warming surface holds up to 6 espresso cups and can be turned on and off through the touch screen.

Adjustable Built-In Ceramic Disc Grinder: With automatic shut-off; safe, quiet and long lasting.

Pre-ground bypass coffee doser.

Saeco OptiDose: Adjustable 7 - 10.5 gram doser, regulates the amount of beans to grind per serving.

Removable 57 oz water tank comes with the **Aqua Prima** water filter included.

Touch Screen Display with sensitive touch technology. For simplified operation of programmable settings.

Rapid Steam®: No waiting between frothing milk with Pannarello attachment and brewing espresso. (Stainless steel steam wand also produces hot water.)

Saeco Brewing System: Allows you to choose the strength and consistency of your coffee by turning a dial.

Saeco Aroma System: Programmable (on/off/long) pre-brewing cycle injects hot water into ground coffee to maximize flavor extraction.

Easy Clean System: Easily removable brew group for chemical-free cleaning.

Milk Island: Separate glass container automatically creates the perfect froth with just the touch of an icon.

Touch Lift Technology: Motorized drip tray moves up and down to fit any sized cup. Removable for easy cleaning.

Sliding wheel base for convenient rotation.
