

Exercise Pen Instructions: To Set Up & Fold Up

To Set Up

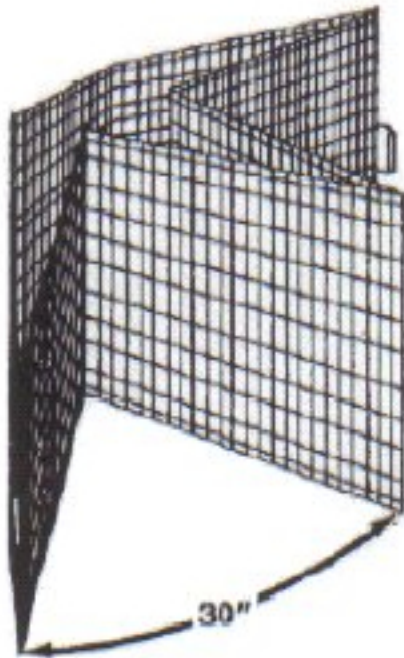

1. Stand exercise pen on end with nameplate at the top. (Illustration A)

A

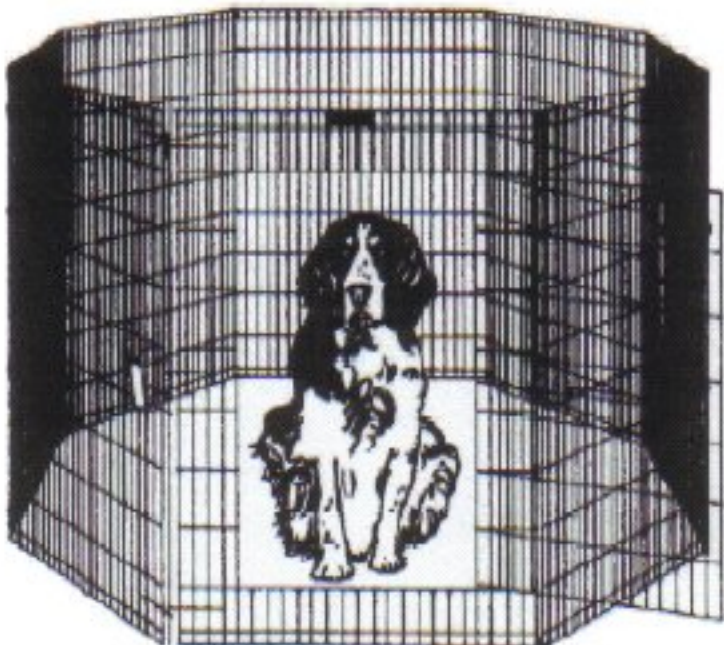

2. Spread panels approximately 30" apart. Pull out panels to form a circle and the pen is ready to use. (Illustration B,C)

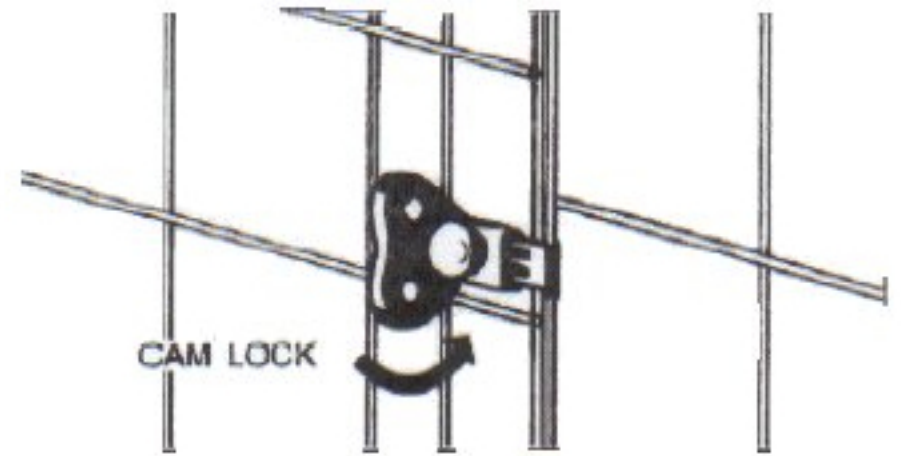

B

C

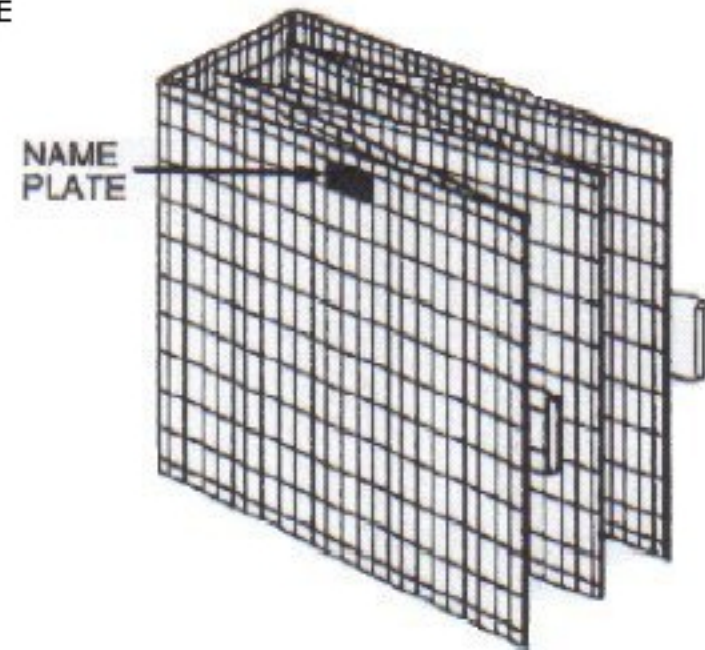

3. To open door, simply turn cam "counter clockwise," swing cam lock outwards and lift door to clear eye locks. (Illustration D)

To Fold Up

1. Fold front door panel to the left in a zig-zag fashion. (Illustration E)

E

2. Exercise pen is now ready for storing or transporting.
