

# Tizio X30 table

special edition

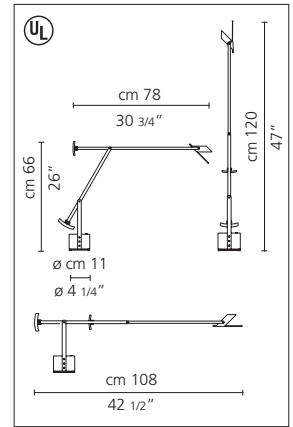

Richard Sapper

Special edition of the original 1972 Tizio "classic" model, created to celebrate this twentieth century design icon entering the twenty-first century with continuing unparalleled recognition and appreciation throughout the world.

- a brilliant finish obtained through the high gloss polishing of the aluminum base, head, and arm components with matching chrome plated zinc alloy counter weights

Special edition model features:

- base and head in solid die-cast aluminum
- special edition number and signature of designer, Richard Sapper, laser engraved in the upper arm
- special gift packing with a Tizio design history booklet enclosed
