

Height and angle of the handle can be adjusted according to your height. (Height range 35.5" - 45.5").

Adjustable footrest gives your child the security and freedom to move, which stimulates natural development and provides seating comfort.

The open design (no cross-bar between the wheels) allows even tall grown-ups to walk natively and comfortably.

For added safety, Stokke™ Xplory® comes with an adjustable five-point harness.

Two-way sitting – facing you or facing forward to enjoy the view.

Reclining and height-adjustable seat to make children enjoy the ride in comfort.

Expandable shopping bag.

Stokke™ Xplory® Carry Cot
