

PRODUCT SPECIFICATION

Double-roll toilet tissue holder, Bobrick Model B-265

Double-roll toilet tissue bracket shall be constructed of 18-gauge plated steel with bright polished chrome finish. Unit shall be equipped with heavy-duty brake springs to provide controlled delivery and shall accommodate two standard toilet tissue rolls up to 4-1/2" (115 mm) in diameter. Unit shall be equipped with vandal-resistant, self-locking mechanism to prevent toilet tissue roll from being removed from holder until roll is exhausted.

Manufacturer's service and parts manual shall be provided to building owner/manager upon completion of project.
