

## PRODUCT SPECIFICATION

**Surface-mounted soap dispenser for liquid soap, lotions, and detergents, Bobrick Model B-40 (black and grey styling), B-42 (all black styling).**

Surface-mounted soap dispenser shall dispense viscous to thin, free-flowing soaps, lotions, and synthetic detergents. Valve shall be operable with one hand and require less than 5 lb of force to comply with ADA Accessibility Guidelines (ADAAG). Container shall be black, translucent ABS plastic. Soap dispenser shall have (select one: grey or black), high-impact-resistant ABS plastic wall bracket, lid, push button, and spout. Bracket shall be equipped with a locking device to secure lid. Vandal-resistance lid shall pivot up for top filling only after lock is disengaged. Corrosion-resistance valve shall have soap head-holding capsule valve, stainless steel spring, U-packing seal, and duckbill. Minimum capacity: 40 fl. oz. (1.18 liters). Manufacturer's service and parts manual shall be provided to building owner/manager upon completion of project.
