

PRODUCT SPECIFICATION

Surface-mounted multi-roll toilet tissue dispenser, Bobrick Contura™ Series Model B-4288.

Surface-mounted multi-roll toilet tissue dispenser shall be constructed of type-304 stainless steel with satin finish and all-welded construction. Front of toilet tissue dispenser door shall have same degree of arc and match other Bobrick Contura™ Series accessories in the washroom. Radius on all corners of door and cabinet shall be complementary and match other Bobrick Contura™ Series washroom accessories. Inner housing shall be constructed of type-304 stainless steel. Front of toilet tissue dispenser door shall be 22 gauge (0.8 mm), drawn, one-piece, seamless construction, and shall be equipped with a flush tumbler lock. Unit shall dispense two 5-1/4" (133-mm) diameter (1800 sheets) toilet tissue rolls. Roll held in reserve shall automatically drop into place after bottom roll is depleted. Unit shall be equipped with theft-resistant, one-piece, molded, polyethylene spindles with minimum 1/8" (3 mm) wall thickness. Manufacturer's service and parts manual shall be provided to building owner/manager upon completion of project.
