

## PRODUCT SPECIFICATION

### **Surface-mounted sanitary napkin disposal, Bobrick Matrix™ Series Model B-5270.**

Surface-mounted sanitary napkin disposal shall be durable, high-impact grey ABS with high-gloss finish on exposed surfaces. Lid shall have fingertip handles and be secured to container with keyed pivots. The degree of arc on the front of sanitary napkin disposal and the radius on corners, edges and top of sanitary napkin disposal shall complement other Bobrick Matrix™ Series washroom accessories. Replacement part numbers shall be molded into unit and manufacturer's service and parts manual shall be provided to building owner/manager upon completion of project.
