DreamLine™ Antique Vanity designs bring you back to an elegant age of detail, beauty and character in bathroom furniture. The unique synergy of designs of yesteryear, advanced materials, exceptional finishing techniques and skilled artisans bring to life our Antique Vanity collection. Natural stone countertops and high quality porcelain sinks add the final touch to each of these bathroom centerpieces.

Available in a number of standard finishes, variety of sizes from a small single sink to a spacious double, and a great choice of detailed designs you are sure to find the perfect vintage style vanity for your project. All of these vanities have ample storage, solid wood legs and frame, and hand crafted wood carving. Four distinct mirror styles are also available in matching colors to complete your bathroom design.
