460-N Greenway Industrial Drive
Fort Mill, SC 29708

METRO DOUBLE HOOK

INSTALLATION INSTRUCTIONS

- 1.** Trace screw hole positions for mounting plate onto wall at desired mounting position.
- 2.** Drill 3/16" (5mm) holes in drywall, 1/4" (6mm) in tile at screw hole marks. Insert anchors and tap flush with wall.
- 3.** Position mounting plate over anchors with nib aiming down and install screws. Place rosette over mounting plate, so that hole inside rosette engages nib.
- 4.** Tighten the set screw into rosette with a small screwdriver.

CARE OF FINE BRASS

The finish is protected with a clear, durable, baked-on enamel. To clean, use warm soapy water, and dry with a soft cloth. Occasional paste waxing is also recommended. NEVER use brass polish, abrasives or abrasive wax.
