All information in this manual is based upon the latest product information available at the time of publication. At Kohler, we constantly strive to improve the quality of our products. We reserve the right to make changes in product characteristics, packaging, or availability at any time without notice.

Care and Cleaning

Like anything of lasting quality, Kohler faucets and accessories require a certain amount of periodic care to preserve their lustrous finish. Clean your new Kohler faucet and drain with a mild soap, rinse thoroughly with warm water, and dry with a clean, soft cloth.

Never use cleaners containing abrasive cleansers, ammonia, bleach, acids, waxes, alcohol, or solvents for cleaning as they may damage the finish. By taking the time to dry your faucet and drain, soap and water deposits can be prevented. Failure to comply with these cleaning instructions may void Kohler's warranty obligations.

Lifetime Limited Warranty – USA and Canada

Kohler Co. warrants its faucets manufactured after January 1, 1997, to be leak and drip free during normal residential use for as long as the original consumer purchaser owns his/her home.* If the faucet should leak or drip during normal use, Kohler will, free of charge, mail to the purchaser the cartridge necessary to put the faucet in good working condition.

Kohler also warrants all other aspects of the faucet, except gold finish, to be free of defects in material and workmanship during normal residential use for as long as the original consumer purchaser owns his/her own home. If a defect is found in normal residential use, Kohler Co. will, at its election, repair, provide a replacement part or product, or make appropriate adjustment. Damage to a product caused by accident, misuse, or abuse is not covered by this warranty. Proof of purchase (original sales receipt) must be provided to Kohler with all warranty claims. Kohler Co. is not responsible for labor charges, installation, or other consequential costs. In no event shall the liability of Kohler exceed the purchase price of the faucet.

If the faucet is used commercially, Kohler warrants the faucet to be free from defects in material and workmanship for one (1) year from the date the product is installed, with all other terms of this warranty applying except duration.

The foregoing warranties are in lieu of all other warranties, express or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

Seller disclaims any liability for special, incidental or consequential damages. Some states/provinces do not allow limitations of how long an implied warranty lasts or the exclusion or limitation of such damages, so these limitations and exclusions may not apply to you. This warranty gives the consumer specific legal rights. You may also have other rights that vary from state/province to state/province. This warranty is to the original consumer purchaser only, and excludes product damage due to installation error, product abuse, or product misuse, whether performed by a contractor, service company, or the consumer.

This is our exclusive written warranty.
