

AURORA Flat 120

Designer
Ettore Cimini - 2005

Apparecchio di illuminazione da parete/soffitto in alluminio pressofuso con struttura portante in acciaio sostenente un vetro opportunamente sagomato e lavorato per diffondere la luce di una lampadina fluorescente lineare tipo T5 da 54W.

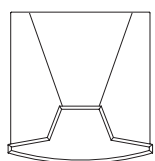

Wall/ceiling light fitting made out of die-cast aluminium with a steel frame holding a straight glass of optic quality carefully machined and polished in order to diffuse the light of a fluorescent tube T5 54W.

Wand-/Deckenleuchte aus Pressgussaluminium mit Struktur aus Stahl, die ein besonders geformtes Glas hält, das speziell für die Diffusion der Lichtstrahlen einer Leuchtstofflampe linear Typ T5 von 54W bearbeitet wurde.

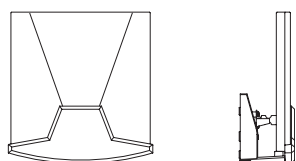

Col. 34
Spazzolato zaponato
Brushed
Gebürstet
