## Cleaning Instructions :

- Please be certain to turn off the power and allow fixtures or lamps to cool down completely prior to attempting any cleaning or maintenance.
- Specialty finishes such as the one on this item are hand applied and must be treated with care. Use a soft dry cloth to clean this item. Do not rub the piece. Do not use any cleaners, cleansers or polishes that contain abrasives or solvents.
- Remove glass shades from fixtures before applying any liquid to them. The special glass on this item should be handled very carefully while cleaning to avoid removing the unique surface texture. This glass can be cleaned with plain water, or mild soapy water, then rinsed and let air dry.
