

Constellation outdoor

Design | Jehs & Laub

Constellation is a large program of ceiling and wall lighting fixtures available in three dimensions for both indoor (damp location) and outdoor (wet location) use. Widespread light ideal for general illumination in corridors, staircases, boardrooms, bathrooms, commercial premises. Outdoor fixtures ideal for car parks, outside walls, terraces, work places where the unit is required to be watertight. Materials | Constellation features EN AB 46100 die cast aluminum alloy body and PBT self extinguishing base (rating: UL-94 5-VB, thickness 1.6 mm). The diffuser is in molded glass with internal prismatic surface. Finishes | White, silver grey, or dark grey epoxy powder coat. Mounting | Wall and ceiling mount. Suitable for installation on normally inflammable surfaces. Can be mounted to 4" octagonal junction box.

CONSTELLATION 17 OUTDOOR

7³/₈ diameter,
2³/₄ height/projection

- 40W, E12, G16 1/2 incandescent
- 13W, Gx23-2 compact fluorescent, magnetic, 120 Volt

ADA Damp and wet location (wall mount only)

CONSTELLATION 27 OUTDOOR

10⁷/₈ diameter,
4" height/projection

- 100W, E26, A19, incandescent
- 2x13W, Gx23-2, compact fluorescent, magnetic ballast, 120 or 277 Volt
- 2x13W, G24-q1, compact fluorescent, electronic ballast, 120/277 universal voltage

100W, RSC, linear halogen, 3¹/₄"
ADA Damp and wet location (wall mount only)

CONSTELLATION 37 OUTDOOR

14³/₈ diameter,
4³/₈ height/projection

- 2x75W, E26, A19, incandescent
- 2x26W, G24-q3 compact fluorescent, electronic, 120/277 universal voltage

150W, RSC, linear halogen 4¹/₈"
Damp and wet location (wall mount only)

CONSTELLATION 27 OUTDOOR

White

Silver grey

Dark grey
