

## ***Twist™ – LCD Swivel***

### ***Specifications***

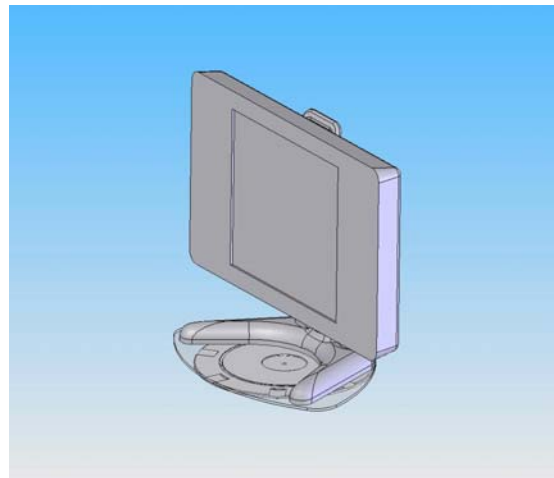

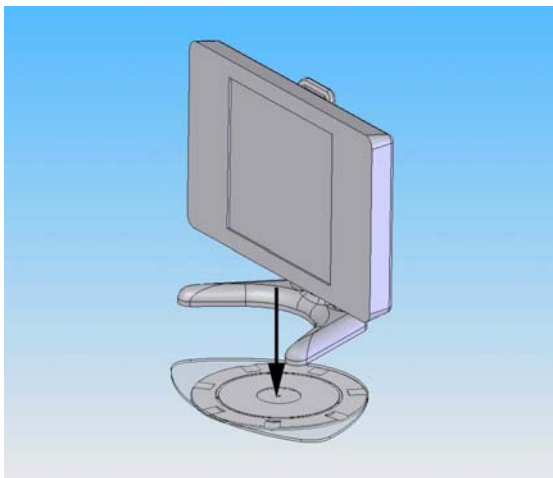

Maximum Screen Size: 26"

Maximum Weight Capacity: 40 lbs. (18.1 Kg)

Safety Tempered Glass Platform

### ***Installation***

Place your LCD TV onto the *Twist™* swivel with the center of the screen positioned over the center of the swivel, as shown below.

### ***Use***

For best results, grasp both side of your TV, and then swivel it to the desired viewing position.

### ***Care Instructions***

Use a household glass cleaner, to clean your *Twist™* LCD swivel.

**Caution:** Use care when handling the *Twist™* LCD swivel, as it is made of safety tempered glass, and will shatter if dropped.

***Thank you for your purchase of the Twist™ LCD swivel.***
