

TECHNICAL DATA SHEET - Adjustable Height Multi-Purpose Cart

peerless[®]
Solid Solutions - Solid Support™

MODEL: JCT-P1642E

This Adjustable Height Multi-Purpose Cart is easy to assemble and move with its ergonomically designed, easy to grip handle. The 16", 26", 34", and 42" height adjustment option makes this cart ideal for a variety of applications. Constructed from injection molded thermoplastic, this cart will not chip, warp, rust, crack, or peel. This multi-purpose cart features silent roll casters that easily and quietly roll over various surfaces and includes a three outlet electrical strip with cord management wrap that is recessed for greater maneuverability. Ideal for use in schools, libraries, media centers, hotels, and offices.
