

Flat Panel Modular Wall Mount For 23" to 84" Flat Panel Screens

NEW!

Patent
Pending

One model. One box. One solution. One mount. The new OneMount™ Flat Panel Modular Wall Mount is one solution to fit all screens from 23" to 84". Not only will this mount help reduce inventory costs, but ordering is simple as there is only one model for any job within either commercial or residential applications. Installation is also quick and easy with its intuitive wall plate design, easily adjustable brackets and included mounting and screen attachment hardware. No extra adapters. No special tools. Just one mount in one compact box.

- Fits 23" to 84" flat panel screens
- Easily expandable adapter brackets and wall plate
- Adjustable tilt of +15°/-5° for viewing flexibility
- Intuitive design for easy installation
- Security hardware for theft resistance and safety
