IMPORTANT NOTE: Follow instructions listed below in the proper sequence as numbered to assure fast, easy and correct assembly. Do not fully tighten parts until assembly is complete.

1. Place parts on a soft cloth. Place Top (A) upside down. Tighten threaded rod extending from Base (B) into Top (A).
2. Your furniture has been handcrafted and skillfully finished by fine craftsmen. Rich, deep antique finishes have been applied which require very little polish. However, should you desire a shinier finish, simply use any good grade of furniture polish, rubbing the finish lightly as it is being applied. Allow to dry and buff lightly with a soft cloth
