Architectural Specifications

Lightweight cover packs snap-on snugly over the dual poles of any of Premier Mounts carts and stands. Heavy-duty plastic molded clamps hold the cover packs firmly in place. Easily configure or remove the cover packs to conceal cabling between the poles. The CMP is designed to perfectly compliment Premier Mounts series of carts and stands.

- Kit includes three of each 6', 12' and 16' cable covers
- 6' covers designed with cable access holes for easy cable management
 - Snaps on to any of our dual-pole carts and stands
 - Paint, cut, sticker or silkscreen with your custom logo or message
 - Use 2 sets of CMP's to conceal front and back of cart or stand
 - Color: Black
