

## ASSEMBLY INSTRUCTIONS

1. Before beginning the assembly, carefully unpack and identify all parts referring to the illustration.
2. Locate BASE on a flat floor. Position SOCKET through the hole on the bottom center of SHADE. Locate STEEL WASHER over SOCKET and thread SOCKET COLLAR onto SOCKET. Hand tighten until snug to secure SHADE.
3. Install bulbs referring to fixture markings and/or labels for maximum wattage.

**PLEASE NOTE THAT YOU CAN ADJUST THE SWITCH ON THE UNDERSIDE OF SHADE HOLDER TO TURN THE LIGHT ON OR OFF.**

4. Plug the cord onto the wall outlet box. Retain this sheet for future reference.
