

ASSEMBLY INSTRUCTIONS

1. Before beginning the assembly, carefully unpack and identify all of the parts, referring to the illustration.
2. Place the BASE on a level floor surface. Locate the NIPPLE with HEX NUT. Thread the end of the NIPPLE into the HEX COUPLING on the top center of the JUNCTION BOX. Use plier, thread the HEX NUT against the HEX COUPLING and hand tighten until snug.
3. Position the following components over the top end of the NIPPLE in turn: SPACER TUBE, CHECK RING, PLAIN WASHER, PLASTIC WASHER, SHADE and the CAP. Secure them together by threading the FINIAL onto the top end of the NIPPLE. Hand tighten until snug.
4. Install the correct bulbs referring to the fixture markings and/o r labels for maximum wattage.
5. Plug the SUPPLY WIRE into the wall outlet. Retain this sheet for future reference.
