

MP SERIES CABINETS

Specializing in unique storage solutions, Robern offers products with user-friendly features for everyday convenience. With high-quality solid aluminum construction that provides years of rust-free operation, MP Series cabinets by Robern are available in widths of 16", 20" and 24", and depths of 4", 6" and 8". These cabinets can be stacked vertically or arranged horizontally, creating virtually limitless design possibilities.

MP SERIES CABINETS

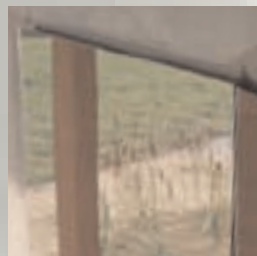

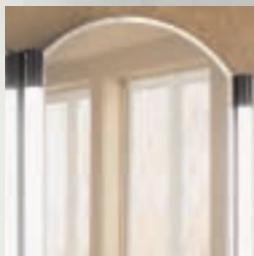

OPTIONAL SAFETY LOCKBOX

Offering secure storage for personal items and other valuables, this safety lockbox keeps prescriptions and other medicines out of the reach of children.

ELECTRICAL OPTIONS

Electrical options provide enhanced features for the MP Series. Two outlets provide power for items such as electric shavers and toothbrushes. A mirror defogger is also included. All electrical components are UL listed for use in damp locations.

ARCH OR FLAT-TOP MIRROR EXTERIOR OPTIONS

MP Series cabinets are available with an arch or a flat-top design to accommodate individual preferences.

PATENTED SAFESEAL™ GASKET

Designed without sharp corners, this gasket ensures quiet, moisture- and dust-resistant operation.

PATENTED SWING-OUT MIRROR

This mirror offers 2x magnification.

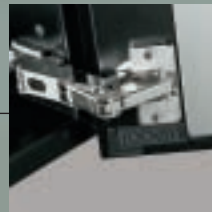

SOLID ALUMINUM CONSTRUCTION

Aluminum resists the intense moisture of the bathroom environment, ensuring long-lasting beauty.

ADJUSTABLE SHELVES

Adjustable clear glass shelves provide the flexibility needed to accommodate a variety of bathroom necessities.

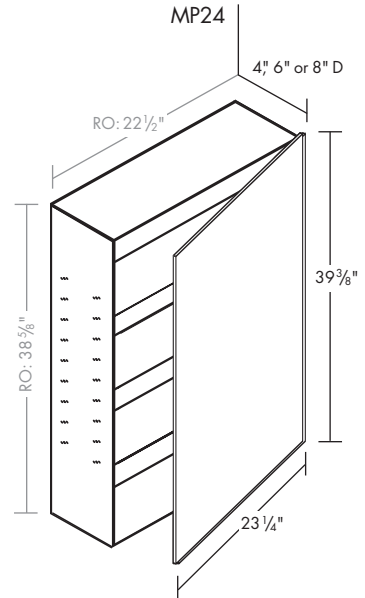

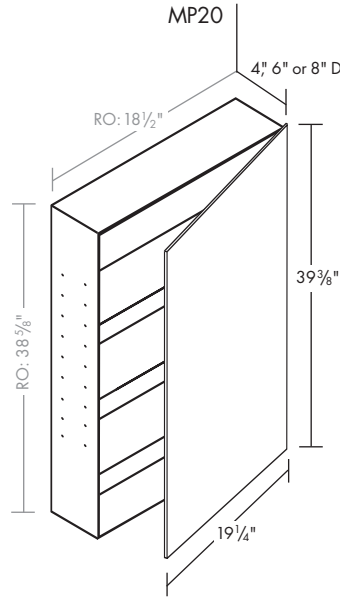

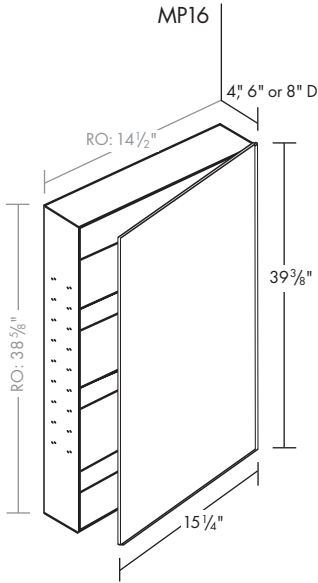

170° HINGE SWING

Adjustable heavy-duty concealed hinges open a full 170°, offering convenient three-way adjustments as well as one of the widest swings available in a self-closing hinge. Right- or left-hinge adjustability.

MP SERIES CABINETS

STACK FILLERS

MP Series Stack Fillers allow cabinets to be stacked vertically. The filler adds $\frac{5}{8}"$ to the height of the combined cabinets.
