

PLATEAU

SL SERIES

Audio/Video Stands

(Black Glass - Available Soon on Select Models)

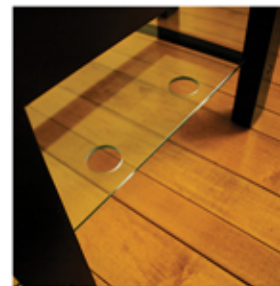

THE SL SERIES features an open concept that compliments any room setting. Quality features include wood parts in a rich black satin finish, and our high grade smooth edged safety glass. This series consists of a selection of Video Stands (up to 64"), with a matching Audio Stand and an extensive offering of complimentary tables and mirror accent pieces. Your theatre room setting is now harmonious and complete.
