Luxury Eight Showerhead

S-2008

Polished chrome plated Anystream 2000 Luxury Eight 8-Jet showerhead. Chrome plated ball with brass threaded inlet connection and swivel ball joint nut. Large Chrome plated ABS body contoured to a tulip design. Spray adjusting handle. 4-1/2" face. 8 self-cleaning deposit resisting spray jets with 80 spray channels to provide a full body spray pattern. 12 center sprays deliver a fast or regular massage spray. Spray can also be adjusted to an intense or regular dual action spray to receive a full body spray and a massage spray at the same time. Product is equipped with an integral EZ Connection sealing device for ease of assembly to the shower arm. Requires no tools or Teflon tape in most installations. Flow control device reduces flow to 2.5 gpm/9.46 lpm maximum, to meet existing ANSI A112.18.1M Standard. 1/2" NPTF inlet.
