

Soundstyle Series

The ultimate choice for performance and style

True audiophiles regard high fidelity support systems as the best way to enhance both sonic performance and the visual appeal of any hi-fi and audio-visual system. Soundstyle is the perfect solution for consumers who simply want a great looking, high quality unit to house their hi-fi or home cinema system.

The three shelf AV rack has been designed to answer the latest requirements to include a far greater variety of sizes of plasma and LCD screens in new home cinema systems.

Clean bold lines of high tensile steel combine with luxuriously thick toughened glass to present a contemporary range of specialist furniture to complement any home and extract every last nuance of performance from your system.

With the choice of Black or Silver frame colours and three stylish glass colours - contrast or co-ordinate, the choice is yours.
