## UV-C Sanitizing Travel Wand

Even with clean towels and sheets, hotel rooms contain billions of germs, bacteria, and viruses left by previous guests. Now you can guarantee the cleanliness of your room and other public places with the new CleanWave™ UV-C Sanitizing Travel Wand from Verilux®. Utilizing the power of CleanWave™ UV-C sanitizing technology, the Travel Wand easily packs in luggage or a handbag and is ready to eliminate germs, bacteria, and viruses from bedding, counter tops, bathroom fixtures, telephones, computer keyboards, toothbrushes, and razors. Comes with complete instructions for all applications, and laboratory data regarding performance in antibacterial and antimicrobial tests.
